

Calling All Female Brewers!
Join Us for the
Second Annual (kind of)
Chicks with Mash Sticks
Brew Day
June 22, 2008
10 a.m. to 6 p.m.

Bring your brewing equipment and your favorite grains, a potluck dish to share and maybe even some beer

This is dad's day home with the kids/dogs/cats (a nice way of saying "No Men Allowed")

Last year, our brews took three medals at the annual Queen of Beer competition in California – we can do better than that!

This year, we'll be congregating at Cathy Jones's House:

2206 Tanglewood Dr.
Fort Collins 80525
